Honey and Tar as a throat and lung

**Cured of Lamb Back After 15 Years of
Suffering.**
"I had been troubled with lamb
back for 15 years and I found a com-
plete recovery in the use of Cham-
berlain's Pain Balm," says John G.
Bisher, Gilliam, Ind. This liniment
is also without an equal for sprains
and bruises. It is for sale by all
druggists.

Biliousness, dyspepsia, loss of appetite,
disturbed sleep, nervousness, headache,
giddiness and drowsiness, wind and pain
or fullness of the stomach after meals,
cold chills and flushings of heat, short-
ness of breath—these are the blank
cheques of physical bankruptcy.
The man who suffers from these dis-
orders and neglects them will soon be in
the relentless grasp of some fatal disease.
If he is naturally narrow chested and
shallow lunged, it will probably be con-
sumption; if his father or mother died of
paralysis or some nervous trouble, it will
probably be nervous exhaustion or pro-
stration, or even insanity; if there is a
taint in the family blood, it will be blood
or skin disease; if he lives in a new or a
low, swampy country, it will be malaria;
if he lives a life of exposure, it may be
rheumatism. There is one safe course for
a man to follow who finds himself "out of
sorts" and suffering from the symptoms
described. It is to resort to Dr. Pierce's
Golden Medical Discovery. This medi-
cine makes the appetite keen, corrects all
disorders of the digestion, renders assimi-
lation perfect, invigorates the liver, puri-
fies and enriches the blood and builds
firm, healthy flesh and nerve tissue. It
cures almost all diseases that result from
"insufficient or improper nourishment of
the brain and nerves." Bronchitis, throat
and even lung affections, when not too
far advanced, readily yield to it.

A man or woman who neglects
common-sense suffers from slow but
certain Dr. Pierce's Pleasant Pellets
cure constipation. One little
"Pellet" is a gentle laxative, and
two a mild cathartic. Don't let a
silly seller over-persuade you to
accept counterfeit pills. First put up
your mind Dr. R. V. Pierce's Great Kidney
and Bladder Pills, never equalled.

WOULD BUY ROAD BUILDING MACHINERY

**A Kerby Merchant Advocates
the Building of Good Roads.
Commissioner Candidate.**

David Ayers, one of the prominent
business men of Kerby, was in Grants
Pass, Monday, having returned from a
trip to Portland and the fair. Mr.
Ayers is one of the many merchants of
Josephine county who feel the conse-
quences of the annual mud blockade to
the roads of the county, that sets in
with the rains of the Fall and contin-
ues until the dry season of the follow-
ing Spring arrives, and he feels that
as this blockade is becoming more ser-
ious each year, by reason of the in-
creased travel on the roads, that it is
time the manner of road work be
changed to modern methods that per-
manent, passable roads may be had.

Mr. Ayers holds that with but little
additional expense all the leading coun-
ty roads could be put in condition for
heavy traffic for the winter as well as
the summer months. His plan would
be to purchase the latest improved
graders, a rock crusher, a gravel screen,
and a steam road roller. The latter
to have a stationary engine attachment
so that it could be used for operating
the rock crusher, and the gravel screen
Hire a crew of men by the month to
operate the plant, and have them do a
full day's work of 10 hours and any of
the men inclined to spin yarns, trade
horses and the other diversions known
to the poll tax worker, to be fired at
once. He would improve the worst
sections of the road first, giving the
preference to the market end of the
road first.

Having such advanced ideas on
modern road building and being a rad-
ical good roads advocate, Mr. Ayers
has been strongly endorsed by his
friends about Kerby as a candidate for
county commissioner on the Republi-
can ticket at the primary election next
April.

**THREE JURORS CURED
Of Cholera Morbus With One Small Bottle of
Chamberlain's Colic, Cholera and
Diarrhoea Remedy.**

Mr. G. W. Fowler of Hightower,
Ala., relates an experience he had
while serving on a petit jury in a
murder case at Edwardsville, county
seat of Cleburne county, Alabama.
He says: "While there I ate some
fresh meat and some some meat and
it gave me cholera morbus in a very
severe form. I was never more sick
in my life and sent to the drug store
for a certain cholera mixture but the
druggist sent me a bottle of Cham-
berlain's Colic Cholera and Diarrhoea
Remedy instead saying that he had
what I sent for but that this medicine
was so much better he would rather
send it to me in the box I was in. I
took one dose of it and was better in
five minutes. The second dose cured
me entirely. Two fellow jurors were
afflicted in the same manner and one
25 cent bottle cured the three of us."
For sale by all druggists.

W. C. T. U. Column

All matter for this column is supplied
by the Grants Pass Woman's Christian
Temperance Union.

The last meeting of the W. C. T. U.
for the official year ending with Sep-
tember was held on Friday, Sept. 22,
at the home of Mrs. L. W. Hood. It
was well attended and interesting
though without program. We re-
viewed the work of the past year with
thankfulness of heart for the oppor-
tunities given to lend a helping hand
in the work of the world. We have
tried to obey the command in our Di-
vine Guide Book to scatter the seed
leaving the result with the God of the
harvest.

While we regret the departure of
Sister Summerville, our efficient super-
intendent of Mother's meetings, we
rejoice in the addition of Sister Bow-
ers, wife of the new pastor of the
Christian church.

Our Union will be represented by
four delegates in convention at The
Dalles, Oct. 3 to 6 inclusive, and we
hope they will receive such an inspi-
ration for work that much more will be
accomplished in the year to come than
in all the previous years. Let us
work for the scientific temperance in-
struction of the young in the public
school and the Sunday school; for the
enfranchisement of women and every-
thing that tends towards abolishing
the saloons, until the traffic in the
dark beverage of hell shall cease to
make possible such dreadful tragedies
as was recently enacted in our county.

PROVOLT

J. T. Layton was at Grants Pass Fri-
day.

M. John, of Williams, was at Pro-
volt Sunday on business.

Fred Knox, the Murphy stock man,
was at Provolt Tuesday on business.

H. Renhoff is hauling hay to
Grants Pass. The hay market is dull.

Chas. Lewman, who has been here
making relatives a visit, left Wednes-
day for Chico, Cal.

Mrs. John Bailey, of Williams, was
visiting her parents, Mr. and Mrs. J.
T. Layton, Monday.

Ned Dunlap made a trip to Rich-
Friday to attend a dance at that place.
He reports an enjoyable time.

A party of 12 left Thursday for Port-
land to take a look at the sights at the
fair and to see the exhibits of Jose-
phine and Jackson counties.

L. W. Smith, the Provolt merchant,
was at Grants Pass Monday to get a
load of groceries for his store and sup-
plies for his blacksmith shop.

Miss Amanda Coffey, who has been
spending the summer at Siesons, Cal.,
returned home Wednesday, after a
visit at the Lewis and Clark fair in
Portland.

J. Pernoli, the Applegate post-
master, passed through Provolt Wed-
nesday en route to Grants Pass, re-
turning Thursday with a load of
freight for his store.

Hops are the present feature in view
with many. There will be three new
yards set out in the Spring, the land
for which is now sown to grass, which
will make a larger shortage of hay.

John Berry, of this place, left Mon-
day for the lower Rogue River Valley
where he will take up some work.
Mr. Berry is an Applegate farmer and
his potatoes and onion crop, which are
average, will soon be ready to put on
the market.

There are some farmers here who
have devoted their attention to berry
raising. One of the most successful of
our berry growers is E. N. Provolt,
who Friday gathered 3 1/2 crates full of
strawberries and got one crate full of
12 boxes. Mr. Provolt has nearly an
acre to strawberries and has marketed
berries in Grants Pass every week
since in May and his vines are yet full
of blossoms and berries and will con-
tinue to bear until the November frosts
cut them down. This valley is one of
the best berry districts in Oregon for
the climate and soil are especially fa-
vorable and the fruit is not distant
when Applegate will be as famous as
Hood River is for its fine fruits.

W. M. Sonson and wife are on the
sick list. They are mending slowly.
Swinden & Padua are at Provolt this
week with their hay baler. They are
at present at the farm of R. F. Law-
man. Their baler is of the very latest
make and puts out the neatest bales
ever baled in the Applegate Valley.
They baled from 12 to 18 tons per day.

Hay in the Valley is at a low price
and farmers are rushing their hay to
Grants Pass and other market points.
Prices range from \$5.50 for loose to
\$9.50 per ton for baled hay. Some
farmers are holding, among them being
John Lewman & Son, S. Provolt,
W. M. Sonson and C. M. Rexford, who
will supply the Spring demand for
hay, which will be a much better
price than at the present figure. We
were told of late that there was a sur-
plus of hay this season. This is not
so in the Applegate vicinity. Those
who who depended on hay markets
alone some few years ago are now in
the cattle business which will cut hay
short. The Williams Valley is largely
settled by cattlemen. The surplus of
hay for this season will exceed 400 tons
in the Applegate and Williams Val-
leys and if the winter is a hard one
it will mostly be required for local
feeding purposes.

Are You Engaged?
Engaged people should remember,
that after marriage, many quarrels
can be avoided, by keeping their di-
gestions in good condition with
Electric Bitters. S. A. Brown, of
Bennettsville, S. C., says: "For
years my wife suffered intensely from
dyspepsia complicated with a torpid
liver until she lost her strength and
vigor and became a mere wreck of her
former self. Then she tried Electric
Bitters which helped her at once and
finally made her entirely well. She is
now strong and healthy." All drug-
gists sell and guarantee them at 50c
a bottle.

Like Finding Money,
Finding health is like finding money
—so think those who are sick.

When you have a cough, cold, sore
throat, or chest irritation, better act
promptly like W. C. Barber of Sand

finding no relief in other remedies,
was cured by Dr. King's New Dis-

Colds." Greatest sale of any cough

INDIGESTION'S RECORD

Indigestion is making an awful record
as a cause of sudden deaths. It is beat-
ing heart-failure in its ghastly harvest.

You read in the papers daily of appar-
ently healthy and even robust men being
suddenly attacked with acute indigestion
after enjoying a hearty meal, and of their
dying in many cases before a physician
could be called in.

This should be a warning to you who
suffer with regular or periodical attacks
of indigestion. If these unfortunate vic-
tims of acute indigestion had taken a
small dose of Green's August Flower be-
fore or after their meals they would not
have fallen a prey to such sudden seizures.

August Flower prevents indigestion by
creating good digestion. It also regulates
the liver, purifies the blood and tones up
the entire system in a natural way.
